

CAPRICULTURALISTS FOR CHRIST

IF...THE BLOOD OF BULLS AND GOATS COULD CLEANSE MEN'S BODIES FROM THEIR SIN, JUST THINK HOW MUCH MORE SURELY THE BLOOD OF JESUS CHRIST WILL TRANSFORM OUR LIVES & HEARTS--HEB. 9:13 TLB

WHAT IS CfC?

CfC supporters have several things in common--love for the goat, God's masterpiece of food conversion--love for God, our Creator--love for Jesus, to whom our lives are committed--love for the Holy Spirit, from whom we receive direction--love for people, the crown of God's creation.

Because of all these loves in common, CfC supporters share a special family fellowship.

Because of our love of people, we share a concern for the eternal destiny of all our friends who also love goats but who don't share the other loves. So often we don't cast our life-saving knowledge to those we know in time. So many we know in the goat world have little knowledge of God, His love for us all, His word for us in the Bible, probably because so many are involved in popular goat shows on the same day our churches meet to teach us all.

If you have missed learning about God because you don't know any born again believers, if you know you are lacking something in life that goat activities don't supply, if you are afraid of leaving this life through death, perhaps you will want to talk with a CfC supporter.

CfC supporters are born again Christians who love goats. We are not perfect human beings or perfect capriculturalists. Through God's grace, though, we are forgiven, and we may be able to help you in your search or in your need.

For the name of someone in your general showing area from whom you can receive guidance and counsel, send a self-addressed, stamped envelope. We'll put you on our national prayer list, and someone more local will contact you personally.

Late 1605 to mid 1705
