SUGGESTIONS--CfC members will enjoy meeting before shows for prayer (lead, circle, voluntary) and praise.

People who respond to CfC by sending donations, by requesting tracts, by sending news, will have their names and addresses on a mailing list to receive the newsletter.

Names from the list will be sent to other supporters and people who request information on the Gospel or help in knowing God. If a supporter does not want his name distributed to one group or the other, he should so specify.

Tracts relating to goats and God are also available on request (Will There Be Goats in Heaven?, What is CfC?, and Goats have a Special Place in God's Heart). Newsletters and tracts may be copied and sent or given to interested or needful parties.

Contributions to CfC will be used to print and distribute tracts and newsletters, for advertising CfC, and for spreading the Gospel through magazine ads.

NATIONAL PRAYER LIST

Pray for healing of the mid-western breeder who contracted Corynebacteria from a neighbor's goats, the northern breeder who caught Brucellosis while butchering a hog, the southern breeder whose daughter is a runaway, financial relief for many goat breeders who are short of funds.

Praise God for generous supporters like the Southern California veterinarian who gave CfC $1000 and for the foresight of those who saw the need for and were willing to work to establish CfC for the furthering of God's Kingdom.
